

Our Love For Mankind

Your elongated breath is entrapped before me...
I need you to build my stratosphere up and encase me in Yellow
to put me into perfection.
Birds flock to the Heavens to shed Light for ALL to know...*It is a calling*

Chit Chit Sat

Calling All Angels...
They are alerted to cast Light on us

Chit Chit Sat

The lark has sent us ALL a message,
Your stratosphere is out of sync.

Chit Chit Sat

It's in *Revelation* we sing...

Jupiter is struck by sadness for He can't rebuild the infrastructure; the Rainforests...He is armed for battle, Its a pledge in constellations...

For Her we ALL weep...

*We call to the most renowned of planets, the wisest of the wise...
Sit with us now. As the light of the Sun creates the rays of the
Moon, You create all Vastness. Chase away the misery.
You preserve our Faith by showering us with goodness. So it is
faith we sing to you now. Lead us to heaven, to higher virtues.
Please hear our music, and help us rebuild Her.*

Chit Chit Sat

The Navajo's Praise...Its forgiveness...

*Oh Great Spirit...
Bring to our Brothers wisdom of Nature,
Knowledge if Her laws are obeyed
Land will again flourish...*

Chit Chit Sat

For Her We ALL Pray...

for further Contemplation...

*Our Father who art in heaven,
hallowed be thy name.
Thy kingdom come.
Thy will be done on earth as it is in heaven.
Give us this day our daily bread,*

*and forgive our trespasses,
as we forgive those who trespass against us,
and lead us not into temptation,
but deliver us from evil.
For thine is the kingdom, and the power, and the glory,
for ever and ever.*

(Glory Be Haveth)
