

Dedicated to their Spirits dancing under...

Rohini

His soft whispers send a direct message to Her Dragon Spirit ~
"The Jewel of the Nile" ...*She lights a candle in eagerness and then she*

prays

Chit Chit Sat

This is from the Heavens...he chants before her
Her soft music playing fills his atmosphere
Her harp strings become elongated through his breath...

he is Her beloved

She plays Us all a sweet sweet melody that sweeps the Kingdoms
above for ALL to hear

Chit Chit Sat

They sit together and read pros under the orchard trees
She can hear his soft beautiful music playing all day long...

This is Enchantment

Chit Chit Sat

They play in the corner yard as beautiful as the ocean's breeze
An ocean of music can be heard from Far and Near, drums are
playing in the distance...Their Pegasus is the key to where their
happiness begins...*Their hearts belong together in Rohini*
